Dear Sir

**DA/345/2018 - 4 Kenwick Lane, BEECROFT NSW 2119 - RESIDENTIAL - ALTERATIONS &
ADDITIONS - STUDIO**

The Trust is concerned about the loss of the significant *Angothona Costata* located in the rear yard of the subject property. The tree has been identified as tree 42 in the various reports. The Trust understands there has been discussions about how to save the tree. The significance of tree 42 appears not to be in dispute. The Trust strongly requests that Council continue to negotiate with the applicant to fully explore all options to save this significant irreplaceable tree.

Yours Sincerely

Ross Walker
President
