

On demand bus trial for Epping and Carlingford

The Member for Epping, Mr Damien Tudehope welcomes the trial and is encouraging residents to use this important service so that the trial is successful. The service commenced on Tuesday 30th of January as part of a number of NSW Government trials aimed at revolutionising public transport. The service, branded OurBus, operates in peak times between 5.30am to 9:00am and 5:00pm to 8:00pm, using four vehicles, each capable of carrying 10 passengers. All vehicles are fully wheel chair accessible. OurBus on-demand provides a new experience for customers who can book transport from or near their home to a local transport hub or other centre at a time that suits them. Member for Epping; Mr Damien Tudehope stated "I am delighted to be able to announce that this service will be operating in Carlingford and Epping" . A new OurBus website and app are now available, with the fare costing \$5 paid in advance by credit card via a secure App. "A personalized service such as this will greatly benefit those hoping to manoeuvre their way through peak hour traffic via a safe, efficient and cost-effective method of transport." said Mr Tudehope. The new service will not impact any existing local bus services and is aimed at encouraging more people to leave their cars at home and take advantage of a service tailored to their personal transport needs.
