One may only guess as to why the installation of the Copeland Road lights has been repeatedly delayed. Perhaps it was the widening of Copeland Road (now dropped), the Traffic Plan for Beecroft Centre (where is that now?) or the proposal for a new fire station.

SUBSCRIPTIONS

Inflation has finally caught up with us. Due to the increased costs associated with running the Trust your committee has had to increase membership subscriptions for the year commencing 1st January, 1985. The new rates are \$6.00 for families and \$3.50 for single adult members.

We feel Trust membership is a sound investment in the future of the district as it ensures you of a committee which is helping to safeguard your residential interests by representing your views to all levels of government and attending all Council meetings.

STATION ENVIRONS

Following representations from several residents a few committee members recently carried out an inspection of the environs of Beecroft and Cheltenham stations. As a result a number of requests for improvement will be submitted to Council and the State Rail Authority.

PARKS SUB-COMMITTEE

The view has been expressed that the Pennant Hills Park Sub-Committee should extend its efforts to other reserves in the district. Consequently the Sub-Committee has agreed to monitor the use and management of all parks and reserves in the Beecroft/Cheltenham area and has been renamed the Parks Sub-Committee.

COUNCIL NOTICES

Residents are urged to read the Public Notices of the Northern District Times for any Council notices that may affect their area or interests. Should you wish to contact the Trust write to The Secretary P.O. Box 31 Beecroft, 2119 - or telephone any committee member. Contact phone numbers were printed in BULLETIN 2-84 dated 7th May, 1984.
