BULLETIN 5-90

DECEMBER

P.O. BOX 31, BEECROFT, N.S.W. 2119 28th November, 1990

PRESIDENT
BILL GREENHALGH

SECRETARY
PETER DUCKMANTON

GENERAL MEETING

WEDNESDAY, 5th DECEMBER

ST JOHNS CHURCH HALL BEECROFT ROAD, BEECROFT

8 pm

This will be our usual end-of-year meeting and in line with our tradition of making this a family function, we will have a speaker from

the Wildlife Information and Rescue Service. All members and their families are welcome to join us for this informal meeting.

*Merry
Christmas*

One may only guess as to why the installation of the Copeland Road lights has been repeatedly delayed.

Perhaps it was the widening of Copeland Road (now dropped), the Traffic Plan for Beecroft Centre (where is that now?) or the proposal for a new fire station.

ML

MEDIUM DENSITY HOUSING. (SEPP 28)

At our May meeting, Councillor Shirley Alexander advised that there ought to be a joint approach by community groups on the issue of Medium Density Housing, (SEPP 28). Accordingly our President convened a meeting of Epping Civic Trust, North Epping Progress Association, Pennant Hills Civic Trust and our Trust represented by Spencer Bough and Bill Greenhalgh. Arising from this preliminary meeting came further meetings at which Westleigh Progress Association was represented and Cherrybrook Progress Association was invited.

The combined associations put forward a joint submission to the Minister for Local Government and Planning concerning the uneven application of SEPP 28 between Shires and Councils. It also called for, and obtained, the promulgation by Hornsby Shire Council of its intention to prepare a Draft Development Control Plan for Cluster Housing Developments within residential areas. In response to this advertising, the combined associations submitted to Council a joint policy on this matter. Spencer Bough and Bill Greenhalgh have played a major role in this work and will continue to represent this Trust's interests at further meetings.
