**GENERAL MEETING
TUESDAY, 20TH JUNE 1995
ST JOHN'S CHURCH HALL
BEECROFT ROAD, BEECROFT
8:00 p.m.**

CHANGES TO THE LAW ON DUAL OCCUPANCY and URBAN CONSOLIDATION.

Guest Speakers:- Peter Hinton, Executive Manager of Hornsby Council Development Division, and Councillor Steven Pringle.

Peter Hinton will be speaking upon recent changes to the laws governing "Dual Occupancy" developments state-wide, and how these will affect Hornsby.

Councillor Steven Pringle will be commenting upon Council's attitude to possible challenges to low density residential areas such as Beecroft and Cheltenham arising from the new Labor Government's announced review of urban consolidation policies.

(Councillor Chris Meany (B Ward) recently stated in a local newspaper that the new Labor Government's pledge to "repeal all existing policies on urban consolidation and dual occupancy" and "achieve higher densities in appropriate areas combined with increased housing capacity" could mean fewer scattered residential subdivisions overall, but unit blocks of unknown height near railway stations such as Cheltenham, Beecroft, Pennant Hills.)

Is this what the future holds for Beecroft and Cheltenham? Councillor Steven Pringle will give his views.

One may only guess as to why the installation of the Copeland Road lights has been repeatedly delayed.

Perhaps it was the widening of Copeland Road (now dropped), the Traffic Plan for Becroft Centre (where is that now?) or the proposal for a new fire station.
