PRESBYTERIAN CHURCH HALL
MARY STREET, BEECROFT

POST M2 FEEDBACK FORUM

The next meeting of the Beecroft Cheltenham Civic Trust will give residents the opportunity to discuss any issues or concerns they may have now the M2 is operating, including associated local traffic matters. This will be your chance to raise local traffic issues and those relative to the Motorway and its operation with a panel of experts. All residents are welcome. The panel of experts will consist of members of the Hornsby Traffic Committee, which includes representatives from the RTA, Police and Council, and members of the Traffic and Road Safety Branch of Hornsby Council. Tollaust who operate the motorway have been requested to provide a panel representative. Local Member Barry O'Farrell who has been working for some time to develop a traffic plan for the area will also join the panel.

One may only guess as to why the installation of the Copeland Road lights has been repeatedly delayed.

Perhaps it was the widening of Copeland Road (now dropped), the Traffic Plan for Beecroft Centre (where is that now?) or the proposal for a new fire station.

A WALK IN THE BUSH - COMMUNE WITH NATURE

The highly popular Spring Walk will be held this year in conjunction with the Beecroft Spring Festival. The date has been set for Sunday 7th September 1997, when the weather is almost guaranteed we hope, so mark it in your diary now! Residents are reminded that Council conducts regular guided bush walks each weekend. These walks are free and cover areas of Pennant Hills Park and the Berowra Valley. A new program is now available from Council, bookings are essential though and can be made by contacting Council on 'phone 9847 6853.

1997 BEECROFT SPRING FESTIVAL

Arrangements are under way for this year's Spring Festival which will be held from 12th to 21st September. Past Festivals have been very popular and a great way for the community to get together, however these events do not just happen, they rely on a group of dedicated people. David White, President of the Beecroft Chamber of Commerce, has told us the organising committee needs a secretary to help in the organisation of this year's Festival. David would like to hear from anyone who can spare some time to assist in this great community event. If you can help, contact David on 'phone 9484 8992. The Trust is planning to re introduce the E.J.Richards trophy competition for children's art in conjunction with the Festival.

BULLETIN DISTRIBUTION

The Trust is looking for a volunteer to distribute the Bulletin in the Day and Cobran Road area. This is a good way to meet the neighbours, in fact you will only be called on about 4 times a year. If you can help please give Pam Conrow a call on 'phone 9484 3999. Thank you.

TELECOMMUNICATIONS TOWER

The Trust applauds the recent efforts of residents to prevent the construction of a telecommunications tower in the Pennant Hills Golf Club. The site is within 30 metres of homes. It is hoped the Golf Club will co-operate in having the tower relocated to an area less dangerous to local residents.
