One may only guess as to why the installation of the Copeland Road lights has been repeatedly delayed.

Perhaps it was the widening of Copeland Road (now dropped), the Traffic Plan for Beecroft Centre (where is that now?) or the proposal for a new fire station.

EPPING BYPASS

The Department of Main Roads has advised the State Member for Eastwood, Mr.J.Clough, that a detailed design of the bypass is progressing. The proposed route is between York Street, Epping and Pennant Hills Road, West Pennant Hills. No decision on funding priority has been made.

NEIGHBOURHOOD WATCH

Recent press reports have indicated the role of Neighbourhood Watch in reducing the crime rate in the northern suburbs. If you are interested in starting a group and wish a notice displayed in The Trust notice board, please contact the Publicity Officer, Spencer Bough on 8698142.

BACKYARD FIRES - A TOTAL BAN ?

Some councils have proclaimed a total ban on backyard fires. Obviously there are arguments for and against such a ban. The Committee would like to know your views on this subject for possible future discussion.

PENNANT HILLS PARK

Slow progress is being made towards a Plan of Management for Pennant Hills Park. Hornsby Council has called tenders for the production of a plan. Several tenders have been submitted and Council is expected to make a decision soon.
