SECRETARY
KEITH DAVIDSON

GENERAL MEETING
WEDNESDAY, 7th DECEMBER
ST JOHNS CHURCH HALL
BEECROFT ROAD BEECROFT
8.00pm

Ian McLeod
will talk about

BEEKEEPING - ANCIENT & MODERN

Ian will have practical demonstrations available and will talk about swarming, extraction of honey, beekeeping in early Beecroft, diseases, etc..

We are assured by Ian that all bees will be leg roped and harmless, so bring the family and enjoy this end - of - year function.

Any donations towards defraying supper expenses will be appreciated.

A merry Christmas to all

One may only guess as to why the installation of the Copeland Road lights has been repeatedly delayed.

Perhaps it was the widening of Copeland Road (now dropped), the Traffic Plan for Beecroft Centre (where is that now?) or the proposal for a new fire station.

GUIDED WALK

Sunday, 30th October was notable for the commencement of daylight saving and for a very successful guided walk conducted by the History Group.

280 residents viewed several historic houses in Beecroft and then enjoyed afternoon tea in the Community Centre. A happy community spirit prevailed throughout the afternoon.

All available commemorative tea towels were sold.

TIME CAPSULE

The Rotary Club of Beecroft has invited the Civic Trust to supply material to be placed in a time capsule.

Your committee has accepted the invitation and is assembling a package for the capsule which will be reopened in fifty years.

Dedication and insertion of the capsule will take place at 7.15 pm on Friday, 9th December, rain, hail or shine at the Village Green, Beecroft and will be followed at 7.45 pm by the Rotary Clubs' Carols by Candle Light evening.

We thank Beecroft Rotary Club for the opportunity to participate in this event and recommend the evening to all residents.

YOU ARE THE TRUST

You will have no doubt noticed the large number of sale and auction signs around our district indicating a continuing turnover of properties.

Beecroft and Cheltenham present attractive targets for those interested only in making a profit by redeveloping properties.

The Trust is continually monitoring development applications in an attempt to retain the present character of the district. Members of your committee attend each council meeting to this end as we have been unsuccessful in persuading Council to advise neighbours of development applications.

Please give us your support by continuing your membership and by promoting the Trust to your neighbours, new or old.

We maintain that the Trust is one reason why Beecroft and Cheltenham are still relatively unspoiled by unsympathetic development.
