GENERAL MEETING

TUESDAY 24th NOVEMBER

ST JOHNS CHURCH HALL

BEECROFT ROAD, BEECROFT

8 pm

This is our end-of-year meeting which traditionally is of an informal nature. This year it will take the form of a

MEMORABILIA EVENING

A spokesman of Hornsby Shire Council will speak about the history of Beecroft and Cheltenham from the Councils viewpoint and Helen Barker and Catherine Bartho will represent the Beecroft Cheltenham History Group.

Residents are invited to bring along photographs, documents, plans or any memorabilia items which relate to the Beecroft-Cheltenham area of bygone days. These can be displayed and/or spoken about during the evening.

So rummage through those drawers, cupboards and garages and bring along anything you consider may be of interest.

REGISTERED BY AUSTRALIA POST
PUBLICATION No NBH5324

One may only guess as to why the installation of the Copeland Road lights has been repeatedly delayed.

Perhaps it was the widening of Copeland Road (now dropped), the Traffic Plan for Beecroft Centre (where is that now?) or the proposal for a new fire station.

ANNUAL GENERAL MEETING

The twenty ninth Annual General Meeting will be held on Tuesday, 23rd February, 1993. Bulletin 1-93 will contain further details.

HOUSING AND PLANNING REVISION

Statements made at the Trust August General Meeting by Mr Sean O'Toole, Assistant Director, N.S.W. Department of Planning, were welcomed by the Trust.

Eastwood, Epping, Cheltenham, Beecroft and Pennant Hills have been removed from the list of 47 railway stations classified as under utilized.

This means that the areas within one kilometre of these stations are no longer under consideration for rezoning.

NEIGHBOURHOOD WATCH

A recent survey of residential properties in the PH/2 Neighbourhood Watch area revealed that approximately 26% of properties had been sold over the last six years.

If this statistic is typical of the entire Beecroft-Cheltenham area there is a distinct possibility that many households are not participating in Neighbourhood Watch.

If you are not involved in this very effective self and community help scheme, contact your local coordinator.

A phone call to Pennant Hills Police, 4843010, will identify your area coordinator.

MEMBERSHIP

Trust memberships will be due for renewal from 1st January, 1993. In the past some members have been confused as to their membership status and have either allowed their memberships to lapse or have paid their subscriptions more than once.

If you receive this Bulletin through the mail, our records indicate you to be financial. Please contact us if you do not agree with our records.

The first Bulletin posted to financial members in 1993 will contain a separate membership slip for your convenience which will indicate your membership status.

MEMBERSHIP

You are no doubt bored with our continual pleas for membership but we stress the advantages of a strong Trust membership in maintaining our beleaguered urban amenity.
