

# Transport Access Program

## Beecroft Station Upgrade

### Project Update

November 2021

*After almost 15 months of major construction, the Beecroft Station Upgrade is nearing completion. Final work is underway at the station and the new lifts are set to open to customers shortly.*

Work will continue in November and includes:

- continuation of electrical and communication services upgrade work
- continuation of work associated with lift structures
- commissioning of lift structures
- upgrade of the power supply.

Equipment to be used includes excavators, concrete trucks/pumps, asphaltting equipment, delivery trucks, power tools and hand tools.

### Commuter car park closure

Weekend work will be carried out in the **Sutherland Road Commuter Car Park** from **7am to 6pm** on **Friday 12 November until Monday 15 November 2021**.

The work will **include resurfacing and line marking**.

**All parking spaces within this commuter car park will be temporary closed** during this time. Parking will remain available in surrounding streets or Wongala Crescent Commuter Car Park.

Equipment to be used includes excavators, asphaltting equipment, delivery trucks, concrete trucks, power tools and hand tools.

There will be some construction noise associated with this work. We apologise for the inconvenience and will minimise the impact by turning off vehicles and equipment when not in use, monitoring noise levels, and using non-tonal reversing beepers. All equipment will be positioned as far away from residential areas as possible and breaks will be used to provide respite during noisy work.

For urgent enquiries or complaints regarding construction activities, please call 24 hours 1800 775 465

## Site office relocation

The existing site office and amenities at the Sutherland Road Commuter Car Park will be relocated to the grass next to the station bin area and footpath to enable work in the car park to take place. The temporary fenced site office will be removed once work is completed by the end of November 2021.

## Station toilet work completed

The toilet in the station building has been upgraded as a **family accessible toilet** and has reopened to customers. The temporary toilet has been removed.

## Ongoing station access changes

The stairs and ramp between the Wongala Crescent Commuter Car Park and the station will remain closed until **late 2021**, to allow for construction of the new lift to be carried out. Customers can continue to access the station via the ramp from Wongala Crescent, and the pedestrian underpass tunnel.

## Construction hours

Standard construction hours are **7am to 6pm every day, including Sundays and public holidays**. This is to facilitate social distancing on construction sites and support the health and wellbeing of workers.

**This work schedule may be subject to change due to NSW public health orders.**

**Thank you for your ongoing patience during all construction work.**

## Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website: [transport.nsw.gov.au/beecroft](https://transport.nsw.gov.au/beecroft).

If you would like to be added to the project distribution list, please contact us on 1800 684 490 or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au).

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on 1800 775 465.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.

For more information call **1800 684 490**.
