

I believe in "Service, Integrity & Compassion for Community"

SREENI PILLAMARRI

About me

1. IT Entrepreneur, small business owner
2. Active community volunteer for over two decades
3. Member of Hornsby Chambers of Commerce
4. Director for ABSIA (Australian Business Software Industry Association) & West Pennant Hills Cherrybrook Cricket Club
5. Volunteer Hornsby SES
6. Raised funds for SES, Aussie Farmers, Cherrybrook RFS and Vinnies Sleepout
7. married to my beautiful wife Lakshmi together we have two children, Parin (18) and Samyuta (16), who have attended John Purchase Public School and then Cherrybrook Tech.
8. Justice of Peace and live local in Cherrybrook for over 10years.

Why Council

1. Being a voice of the community
2. Supporting local business
3. Supporting local sports clubs with facilities
4. Supporting young families and kids with park facilities
5. Protect and preserve our heritage.

My Believes

1. That a council should be able to live within its means through strong economic management.
2. We can't pay for the services our council needs without strong economic management.
3. Encouraging small business to succeed and not tying them up in red tape.
4. People who have been successful in business have an obligation to give back to their community.
5. Good governance and that includes at the council level.
6. A strong, cohesive, diverse, and multicultural Australia and I believe that the multiculturalism in our community should be reflected in the Local Government.

7. Our community is best served by a council that can deliver strong leadership and by councillors who are genuine community representatives who are committed to seeing our community prosper.

What I want to achieve as a Liberal Councillor on Hornsby Council

1. Preserve the character of all our suburbs especially the historic homes of Beecroft and Cheltenham.
2. Demand that Council undertake an immediate, root & branch traffic study for Cherrybrook to improve traffic flows, so people spend less time waiting in their cars and more time with family.
3. Ensure that badly needed upgrades to Parks, sporting facilities at North Epping are delivered on time and on budget.
