

**Team of True Independents – Residents *Before* Politics**  
**Candidate Profile**

**Councillor Vince DEL GALLEGO**

- Businessman, Community Activist, ex - Business Banker
- Hornsby Shire Deputy Mayor 2017 and 2018
- Cherrybrook Residents Association - founding President
- Hornsby Chamber of Commerce - ex-Vice President

**In the next term of Council,**

I will continue to:

- Work with residents on inappropriate development issues
- Focus on roads, footpaths, parks, sports grounds, library/community centres, and landscape improvements
- Protect rural lands for all to enjoy it's scenic character, bio-diversity and primary production capabilities
- Expose actions that do not benefit the majority of residents, including excessive spending on projects that only benefit the few.

I will;

- Consult with our elderly residents for ideas to improve their lifestyles
- Engage with businesses on post COVID-19 recovery, ensuring residents continued local employment and investment in renewable energy industries to meet future manufacturing demand.

Joe Nicita is one of the youngest Councillors ever elected in the Hornsby Shire, and the third generation of his family to call Beecroft home.

Working in media and sitting on the board of a local youth not-for-profit, Joe knows the importance of strong community engagement, supporting small business and the need to provide young people with a voice in local government- and will continue to champion these things if re-elected.

After a term working beside Vince Del Gallego to tackle inappropriate development and the destruction of local bushland, Joe has seen the importance of putting residents before politics, and is proud to join an Independent Team.
