Some recent work

Protecting pedestrians with getting reinstallation of Beecroft Place crossing

Worked with locals to get water for owners + dogs, Campbell Park, West Pennant Hills

Campaigning for better access to Cherrybrook Station

Won support for a Byles Creek walking track study

Working with residents to improve safety on Norfolk Road, North Epping

Secured funding for much needed footpath in Grigg Ave, North Epping

An update: your council's tree planting program

The largest & fastest in any local council area—nationwide!

25,000 trees
planted in nature strips
and parks (to date)

\$2,500,000 budget
funded largely from
developers' levies

40,995 more
shrubs and ground-
covers also planted

\$1,756,000
of budget has been
expended to date

What's happening in our community?

Fight the height

I have ensured Council's Design Excellence Panel is reviewing anything over 2-storeys. But the state government is pushing 8+ storeys for Cherrybrook station.

I am determined to ensure residents' concerns are heard.

Waste news

If your bin breaks or isn't emptied, call the **hotline: 9847 4856**.

And a reminder: the **Community Recycling Centre, Thornleigh** now accepts styrofoam and clothing.

See the light

I am pushing plans to tackle plastic waste and reduce our greenhouse gas pollution. Council is rolling out LED street lights, but we need solar panels on community centres. Plus, it's time Council committed to 100% clean energy (it's cheaper too).

Rebates for reusables

Thank you for supporting my successful campaign for rebates for reusable sanitary items and nappies.

Have your say: Westleigh Park and Hornsby Park (quarry)

These two parks will provide recreation opportunities for our Shire for generations to come. Draft masterplans are available for your comment: search 'hornsby council current exhibitions'.

A fitting name change

Our beloved community nursery is now the **Warada Ngurang Community Nursery**. Meaning *Place of Waratah*, the name was chosen by Traditional Owners and is a combination of Darug and Guringai language words.
