The Hon Dominic Perrottet MP
Member for Epping

Dear Dominic,

Firstly, may I congratulate on your successful election as the Member for Epping.

As President of the Beecroft Cheltenham Civic Trust I am in regular communication with the residents of Beecroft and Cheltenham through the Trust's Enews, which is emailed to our many members. The Trust has developed over the years a healthy regular correspondence with elected members in our three levels of government with consequent community expectation that this beneficial relationship continues.

I am aware that the demands of office make your time valuable, but I believe it would be in both our interests to schedule regular meetings and discussions when local issues arise. Since your election to the seat of Epping in May local residents have begun asking the Trust about the following issues:

- further high rise development,
- controlling seniors housing development in heritage precincts,
- our train service via Strathfield,
- the retention of the pedestrian ramp next to the proposed lifts at Beecroft station,
- acquisition of land for open space in Byles Creek,
- managing graffiti on the Beecroft Road pedestrian bridge,
- bundling of overhead wires in Hannah Street, and finally
- removal of the Cheltenham Oval haulage road and reinstatement of the bushland.

I am available most days and can meet you in either your city office or at Epping. You can contact me on 0412 257 556.

I look forward to your reply.

Yours faithfully,
Ross Walker OAM
President
